Because you never get a second chance

## STRONGARM™

### ➤ Quickly overcome obstacles

The LE 100 StrongArm from LUKAS is a strong tool for the police and special operations commandos. The multifunctional device overcomes all obstacles and saves time when it is most needed. It cuts through locks, bars, chains or cables, pushes obstacles such as bars out of the way and opens locks. The door opener tips can be used to quickly open various gates and doors to buildings and flats or lift obstacles. The StrongArm also opens vehicle doors, boots and bonnets. The device is powered by a high-performance battery and provides full performance even in extreme conditions.

Better safe than sorry - with the LE 100 StrongArm from LUKAS.
