

MAKES RESCUE TOOLS MOBILE.

The P 600 OE makes hose-connected rescue tools mobile. It gives you maximum freedom of movement in every situation because it is small, light and easy to handle, and also enables location-independent use of a rescue tool in the optional battery mode.

You have the choice: Operate your rescue tool with mains power or with a high-performance battery. The power unit has a unique energy management system that guarantees you extremely long running times.

Advantages

- + Very patient-friendly: no exhaust fumes, very quiet
- + Small, light (under 22 lbs/10 kg), easy to use
- + Almost unlimited radius of action
- + Perfect for use at traffic pile-ups or off-road
- + Illuminated oil tank
- + Suitable for one-man operation
- + Efficient energy management in battery mode

Accessories

Battery bag, battery charger 12-24 V/110 V/230 V, spare battery, power supply 110 V/230 V
